

READY★TO★READ

FAMILY READING CHART

Reach for the Stars!

Use the chart on the next page to keep track of the Ready-to-Read books your child has read.

- ★ Start by writing your child's name and reading goal (completing a certain number of books or moving up to a new level) at the top.
- ★ Each time your child reads a Ready-to-Read book, write the book title in the left column and the reading level in the middle column.
 - ★ Then, let your child put a star sticker in the third column.
- ★ When your child has reached his or her reading goal, have a celebration!
 - ★ Set a new goal and keep reaching for the stars!
